

H.A.L.E Autism Presents

LEGO® Based

Social Development Therapy

Sunday Afternoon Session #1

1:00 – 2:30 pm

June 1st – June 29th

Sunday Afternoon Session #2

3:00 – 4:30 pm

June 1st – June 29th

Tuesday Evening Session

6:00 – 7:30 pm

May 27th – June 24rd

Kristian and Lynn Hooker brings their fun-filled LEGO® Based Social Development Therapy sessions to the Gaynor Family Library.

The LEGO Based Therapy sessions involve engaging groups of children on the Autism Spectrum and teaching them the value of teamwork, strategic thinking and friendship all the while enjoying LEGO activities.

Whether your child can build a whole LEGO® city in an afternoon, or has never opened a LEGO box before, all are welcome.
